

A Leading Platform

for Future Tech

25-27.11.2025 • Shanghai, P.R. China

SFCHINA2025

in Shanghai on 25 - 27 November will unite the surface finishing community. With legacy since 1983, it is the leading platform for electroplating, coatings application, anodizing, coatings, surface treatment and environmental technologies. Over 290 exhibitors will showcase their cutting-edge solutions to visitors. Join us at SNIEC Shanghai for innovations, Forums and networking. Always stay competitive in the fast-moving world. Visit www.sfchina.net to register and explore more !
